Please read the following carefully before signing.

I understand that this is an application to Keitha's Kittie Rescue (KKR) and is neither a promise of nor a commitment to any volunteer opportunity. I certify that the information is true and complete to the best of my knowledge. I understand that misrepresentations or omissions may be cause for my immediate rejection from a present or future volunteer position.

Waiver

I recognize and understand the inherent risks associated with the care of animals, including but not limited to the possibility of any injury to person and/or property which I may suffer as a result of the unpredictable nature and/or provocation of animals. I understand that rescue animals may carry transmissible diseases which may be spread to me, my family, and/or my personal pets. I agree to take the proper precautions to minimize these risks. I will not hold KKR responsible for any illness to me, my family, and/or my personal pet or any other animal under my care as a result of cross contamination from a KKR rescue cat.

I agree to follow Centers for Disease Control (CDC) and local health district guidelines and KKR policies and procedures for social distancing to reduce the spread of Novel Coronavirus, or COVID-19. This will require me to maintain six (6) feet of distance between myself, fellow volunteers, and patrons of the organization as much as possible. This procedure will be required for visitor-to-visitor contact as well to limit exposure. I agree to utilize surgical masks or improvised masks such as scarves, bandanas, and handkerchiefs to reduce the risk of exposure to myself and others. I agree to wash or sanitize my hands after using the restroom, sneezing, and coughing, and before eating or preparing meals or sundries for distribution.

I further understand that Keitha's Kittie Rescue carries no personal and/or liability insurance for volunteers and that I should obtain such from a personal source should I require it.

I understand that I will receive no pay, benefits, or other privileges of employment of any kind for my services. I am not eligible for worker's compensation benefits if I am injured or become ill as a result of my volunteer work, and I am not eligible for unemployment compensation benefits if or when my volunteer assignment ends.
